ASKS SALARY INCREASE.

Physical Director McLaughlin of the Y. M. C. A. Sets Figure at \$1,200.

Physical Director McLaughlin of the Y. M. C. A. has notified the directors that he will remain another year if they increase his salary to \$1,200 per annum. He has had an offer from another city that is worth over \$1,300 a year. It is hoped the Y. M. C. A. directors may be able to meet Director McLaughlin's figures and that he may also be secured as physical instructor for the Windham High school and the girls' gymnasium classes at the new Congregational church house, it being thought that these additional sources of income would be sufficient to retain Director McLaughlin in Willimantic.
